

## **Archive Coordinator report – Spring Assembly 5/10/225**

### **Archives Project (bequest) update:**

We continue to go through boxes, files, and materials. Sorting, purging and cataloging is time consuming, enlightening and fun. We are still several months away from the steps to finally organize everything.

### **Convention display:**

We attempted a casual survey of how many years people had been in Al-Anon/Alateen. Of 65 people who answered, they represented 1,702 years of recovery. From 2 years to 55 years! We have much to share with each other and much to learn from each other.

### **Coordinating members within our Area:**

District Reps have been asked to bring this message to all groups. If your District has not been meeting or you have not heard this message, please share this with your group:

Recognizing that each District has both new and seasoned members to are interested in our history, it is important that many voices be heard. Is there someone in your District who would be willing to be a contact person to encourage the gathering of your local history? I would welcome emails or calls from members interested in this type of service. [Archives@alanonma.org](mailto:Archives@alanonma.org)

### **What do you want future members of Al-Anon/Alateen to know about your experiences during the early 21st century?**

Please visit the Archive table at the Assembly to pick up some flyers to share with your group. This is the beginning of our efforts to gather a wide range of shares to document how we are living our Legacies and bringing them to the future.

On our journey in service and recovery

Joan S., Archives Coordinator
