

Literature Coordinator Report

Fall Assembly 2025

During the summer months regular updates were made via the AFG-MA Newsletter regarding literature. Requests for new sharings are needed for two new pieces of CAL: *Sponsorship* and *Finances in Recovery*.

Sharings are also needed for an entirely new and revised outreach magazine, *Al-Anon Faces Alcoholism* planned for 2026. The *Forum* also needs sharings on an ongoing basis for several regular features plus stories.

A standing offer has been put out for the Literature Coordinator to attend district meetings or group meetings to conduct writing workshops to create the sharing needed. Consider having a special event at your home group or district meeting to write your Experience, Strength and Hope for CAL or the *Forum* magazine. I attended the quarterly Literature Coordinators meetings led by WSO staff on May 8 and August 13.

Going forward a few events are on the calendar. On Saturday, October 25, a writing workshop will be held during the afternoon as part of the Fall Area Assembly. Everyone is welcome to attend. This will be a hybrid workshop: both in person and online. In November two events will take place: on Saturday, November 8, I will provide an overview of the wealth of CAL to the Saturday, 1pm Al-Anon meeting in Peabody. The following weekend at the A.A. Convention in Marlborough, I will lead a literature meeting in the Al-Anon portion of the program.

Come join these events to learn more about our wonderful Conference Approved Literature (CAL).

In service, George S.
