

Website Coordinator Report

Fall Assembly 10/25/25

The annual SVA (Zoom) [Renewal](#) Period is now open for 2026. Groups interested in renewing must sign up by Dec 1st. Please see the website for renewal details. We have been able to lower the annual fee from \$36 to \$29 for 2026.

Have you ever wondered what towns are in your District? There's a [Map](#) on the Website that has recently been upgraded so that the town labels are clearer and easier to read. There is also an alphabetical [listing](#) of all the towns by district as well.

Be sure to check out the AMIAS Resource page that has been developed for all AMIAS and those interested [Al-Anon Members In Alateen Service](#). Don R has been diligently working to provide a wonderful resource that is located at the bottom of the Alateen page, listed as [AMIAS Resources](#).

You may be looking for the [Anniversary & Fellowship](#) Tile or the [Group Information Form](#) that had been listed on our home page. We had to temporarily remove them so we could feature the Fall Assembly and the SVA Renewal tiles and announcements. They will return when these time specific events pass us by. In the meantime, you can click on the links in this message to access them.

The other item that we've had to relocate is the link to the monthly Forum Stories. We may bring that back as we find the display space for it. In the meantime, you can use this link. [Forum Stories](#)

Finally, we will be uploading the Holiday Cancellation form in early November so that groups can announce their **cancelled holiday meetings**.

In Service,

Dave B., Website Coordinator
