

## Archive Coordinator report – Spring Assembly 5/16/26

### Coordinating members within our Area:

Is there someone in your Group / District who would be willing to be a contact person to encourage the gathering of your local history? I welcome emails or calls from members interested in sharing in this type of service. [Archives@alanonma.org](mailto:Archives@alanonma.org)

### What do you want future members of Al-Anon/Alateen to know about your experiences during the early 21st century?

Please visit the Archive table at the Assembly to pick up some flyers to share with your group. This continues our efforts to gather a wide range of shares to document how we are living our Legacies and bringing them to the future.

Also, at the Archives table you can pick up a copy of

"Love in Service - Al-Anon in Massachusetts 1949-2015"  
(still available at our LDC for \$10. plus, P&H)

### Archives Project (bequest) update:

This is a partial list of what has been accomplished:

Correspondence and reports from the 1950s and 1960s have been organized, in chronological order, into binders. Materials from the 1970s-1990s are being organized in file drawers by topics. Minutes from all early Council meetings, Area World Service committee meetings (AWSC) and Assemblies have been added to binders. Storage containers have been purchased to hold items in these categories: Banner/Cal Costume/Alateen quilt; Meeting lists; Cape Cod office history; Districts miscellaneous; PSAs; Events miscellaneous; Alateen Conferences; Conventions; Financial record-keeping samples; Selected documents from 2000s; 2010s; 2020s.

Binders have been created with flyers and programs from all Conventions.

Excel files are being developed listing our CAL and Audio collections.

Materials for Assembly attendance, Group Records and Confidential lists have been scanned for use by the Archive Coordinator. These are for reference only and because of the confidential nature of the contents, all originals have been shredded.

Work continues. Volunteers are still welcome to help. [archives@alanonma.org](mailto:archives@alanonma.org)

### On our journey in service and recovery,

Joan S., Archives Coordinator
