

## Literature Coordinator Report – Spring Assembly 2026

During the first quarter of 2026, the Literature Coordinator (LC) met with District 8 on Feb. 11 (online) to present CAL relevant to Outreach and Service Sponsorship. In March he led a writing workshop (in person) for new CAL at the 49<sup>th</sup> Annual Massachusetts Convention; 8 members attended and wrote their ES&H about *Finances in Recovery*. The LC also took part in the panel discussion “Challenges and Rewards of Virtual Meetings” with his personal ES&H on how to bring CAL into online meetings. In May a presentation is planned for District 11 at their monthly meeting on the topic of “An introduction to CAL literature with Q&A.” A writing workshop is pending for District 25. Finally, some inquiries were received, and replied to, about how members submit ideas for new CAL and use of workshop materials in meetings that are not CAL.
