

Al-Anon Family Groups
of Massachusetts

Help and hope for families and friends of alcoholics

Dear Helping Professional,

Enclosed you will find information about the worldwide fellowship of Al-Anon and Alateen. Our primary purpose is to provide help and hope to individuals affected by another person's drinking.

Our local meetings may be of benefit to clients whose situation has become unmanageable because someone they care about drinks to excess. Al-Anon and Alateen are free of charge and meetings are available 7 days a week, both in person and virtually. Please see link below for meetings in Massachusetts.

If you have questions, are interested in referring people to the program, or want to order literature, please visit our website at alanonma.org, or contact the Massachusetts Al-Anon office at 508-366-0556.

Kind Regards,
Al-Anon Outreach Committee
